18 September 2020

To: Our Respectable Clients in the Timber Industry

### **Notice For Submission of Registration Application(s) Through New Registration Online System - STIDC Timber Industry Information System (STIS)**

---

The above said subject refers.

I am pleased to inform that STIDC has developed the STIDC Timber Industry Information System (STIS), which enable the timber related activities to be registered online.

Therefore, effective **1<sup>st</sup> September 2020**, all registration application(s) have to be submitted through STIS for processing and approval by STIDC officers. This System also enable the user to make payment online and to print the approved Certificate of Registration.

Kindly click to the link below to access to the system:

**<https://stis.sarawaktimber.gov.my>**

Please contact our Registration officers at the nearest STIDC Offices for **username and password** for renewal of registration application. Meanwhile, any new application can be accessed through new signup.

Thank you for your cooperation and support.
